# PREAMBLE

EKV Group offers a wide array of services tailored to meet the diverse needs of its public and private clients and ensure competitiveness in the dynamic business environment.

As a professional consultancy firm, EKV Group demonstrates a deep understanding of management systems, business processes, automation, and industry best practices. With a keen agility to embrace new concepts and methodologies, EKV excels in advisory, capacity building, mental health, assurance, and technology transformation endeavours. Our track record includes delivering exceptional outcomes across various entities, from public sector, limited companies to large corporations. This extensive experience and knowledge in both public and private sectors has earned EKV recognition and support nationally and internationally.

Our team of assurance, advisory, tax consultancy and all other consultancies operates with integrity, efficiency, and a commitment to excellence. Fortified with technical expertise and focus on client needs satisfaction, we help clients create long-term value and foster trust through credible service delivery.

On behalf of the EKV Team, I express sincere gratitude for considering a partnership with us and invite you to explore our company profile to learn more about the services we offer.

For:

EKV TEAM Evans Kakai,  
Group Managing Director

# ABOUT US

Established in 2006, EKV Group is dedicated to providing comprehensive business services to a wide range of clients, including companies across diverse industries, profit organizations, the public sector, and individuals. We have created a niche in customized consulting solutions for both public and private sectors renowned for our track record of delivering tangible results and empowering clients through trainings among other capacity building initiatives. Our extensive expertise in addressing complex challenges on strategy, organizational structures, systems, and operations have enabled us to consistently deliver lasting solutions tailored to meet the unique needs of our clients.

Since its inception, EKV Group has significantly grown in clientele, partnerships, regional presence, and infrastructure. Today, it stands as a leading consulting firm, offering a comprehensive suite of consulting, technology, and digital transformation services to clients across Africa. With a multicultural consulting team, EKV guarantees delivery of high-quality services across the globe. We are well resourced with a diverse pool of trained and experienced professionals strategically positioned in Auditing, Finance, Tax, Quality Assurance, HRM, Environmental and ICT Consultancy to provide industry-specific solutions to various sectors including Consumer Goods, FMCG, Retail, Manufacturing, Banking and Finance, Government, tertiary institutions, private limited liability companies among others.
